1.1.2: The institution adheres to the academic calendar including for the conduct of CIE

The Academic Calendar gets prepared by IQAC after a thorough deliberation with faculty members and various stakeholders in the month of March every year. Being an affiliated Institute, our calendar is in tune with the affiliating university's academic calendar. Schedule of all curricular and co-curricular activities is highlighted in the academic calendar. Semester wise planning of curriculum delivery is an essential aspect of our academic calendar.

After the finalization of academic calendar, the same gets displayed on the college website for the facilitation of the stakeholders. Institute strictly adheres to the academic calendar for admission process, teaching plan, actual teaching days, vacations, Continuous Internal Evaluation (CIE), University exams and various co-curricular activities etc.

CIE is being looked after by a separate Internal Examination Committee. Institute strictly adheres to the academic calendar for the conduction, evaluation and grievance redressal related to CIE. All the departments of the college conduct unit tests and give assignments periodically to ensure effective implementation of the curriculum as per college academic calendar.

The internal examination schedule is published well in advance and also intimated to the students through notices circulated in the classrooms and published on website. At the commencement of every academic year, the students are made aware of the continuous internal evaluation mechanism which includes various types of evaluation methods, marking scheme, nature of question papers, and the marking weightage to be given.

The college examination committee after consultation with IQAC has introduced following reforms:

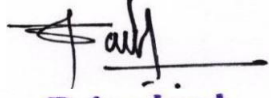

- The answer sheets are shown to the students after evaluation for their information which provides transparency and accountability in the evaluation process.
- After the evaluation, their performance is discussed with the students. This reformation has been accepted on the experimental basis to achieve the best results.
- The answer sheets are preserved for two years and documented for further clarification and use.

- If some of the students remain absent due to certain genuine reason like participation in sports, competitive exams, Avishkar, medical emergency or any other college activity; the concerned department conducts their internal tests separately and their internal marks are being displayed.
- While submitting the internal marks to the university via e-savidha portal of the university, utmost care is being taken by the internal exam committee such as every entry of marks is read and checked by the concern subject teacher to ensure zero error. Thereby limiting grievances in the internal examination marking.
- We encourage student to give seminar using ICT aids, instead of using traditional method.
- During the lockdown period the college has conducted internal examination and practice tests in online mode through Google forms.

The college examination committee effectively deploys and monitors continuous evaluation process throughout the academic year as per the academic calendar.
